Dear Friends,

Christmas 2020

Wishing you a Merry Christmas. You are all in my prayers and in particular for all those who will be finding this Christmas difficult because of feelings of loneliness, isolation and for all the sick.

May the birth of our Saviour Jesus Christ bring you many blessings.

From the Sunday Missal:

God's sign is simplicity. God's sign is the baby. God's sign is that he makes himself small for us. This is how he reigns. He does not come with power and outward splendour. He comes as a baby-defenceless and in need of our help. He does not want to overwhelm us with his strength. He takes away our fear of his greatness. He asks for our love: so he makes himself a child. He wants nothing other from us than our love, through which we spontaneously learn to enter into his feelings, his thoughts and his will-we learn to live with him and to practice with him that humility of renunciation that belongs to the very essence of love. God made himself small so that we could understand him, welcome him, and love him.

(Pope Benedict XVI)
