Dear All

As ever, I hope you are well.

I have not long returned from the 4pm "Mass during the Night" at Holy Family. Despite the restrictions it was both an appropriate and enjoyable celebration of Christmas.

I have decided that I am not wishing people a "merry" Christmas this year – it doesn't seem quite right in the circumstances. But despite our current circumstances I very much hope that you can let the Christmas message find joy for your soul and peace for your heart. A joyous, peaceful Christmas to you all. Can I also say thank you for the many cards that I have received from you, and for the very generous additional enclosures I have been finding in them. All very much appreciated, and again, thank you

Speaking of our current circumstances, please note that even though we move into Tier 4 regulations on Saturday, public worship is still allowed and our normal schedule of Masses will continue. However it becomes especially important that both before and after Mass you do not mingle or socialise with other households – rather, you need to go straight home. Do please remember to tell us which Mass you are planning to attend on Sunday.

I am pleased to report that the Wigglesworth Room window has been repaired and the nativity scene is once more visible to the world

As we move into tier 4, take care of yourselves and those you live with more than ever. I am sure that as vaccines progress there is light at the end of the tunnel and I look forward to the day when once again we can cram ourselves into Church like sardines to celebrate Mass during the Night at the tops of our singing voices. That day will come.

May Our Lady pray for you, and may God bless you.

With my love and prayers for all of you at Christmas,

Fr. Gordon.
